EXCESS PHYSICAL DAMAGE COVERAGE FORM

Notwithstanding any provision(s) contained within the primary or underlying policies to the contrary, this policy is amended as follows:

1. INSURING CLAUSE:

Subject to the limitations, terms and conditions contained in this Policy or added hereto, the Company agrees to indemnify the Insured named in the Excess Physical Damage Schedule ("Schedule") herein in respect of direct physical **loss** or damage to the property described in the Schedule while located or contained as described in the Schedule, occurring during the period stated in the Schedule and caused by any of such perils as are set forth in Item 3 of the Schedule, and which are also covered by and defined in the policy(ies) specified in the Schedule and issued by the "Primary Insurer(s)" stated therein.

2. LIMIT:

Provided always that liability attaches to the Company only after any self-insured retention, any primary and underlying deductibles have been applied, and the primary and underlying excess insurer(s) have paid or have admitted liability for the full amount of their respective **ultimate net loss** liability as set forth in Item 6 of the Schedule and designated "Primary and Underlying Excess Limit(s)" and then the limits of the Company's liability shall be those set forth in Item 7 of the Schedule under the designation "Limit Insured" and the Company shall be liable to pay the **ultimate net loss** up to the full amount of such "Limit Insured."

The maximum recovery in any one occurrence for any coverage(s) or peril(s) subject to a sublimit shall be that sublimit provided by the primary and/or underlying excess policy(ies) and in no event shall the Company be liable for any amounts over the sublimit contained within the primary and/or underlying excess policy(ies) for the coverage(s) or peril(s) to which that sublimit applies.

In the event that any perils against which this Policy insures are subject to an aggregate limit in the primary and/or underlying excess policy(ies), liability attaches to the Company only in the event that:

- (a) The **Ultimate Net Loss** exceeds the "Primary and Underlying Excess Limit(s)" as a result of **loss** or damage arising out of a single occurrence; or
- (b) Item 6 of the Schedule specifies that the "Primary and Underlying Excess Limit(s)" apply on an aggregate basis for the peril which caused the loss or damage.

3. DEFINITIONS:

- (a) **Loss:** The word **Loss** shall mean a loss or series of losses arising out of one event or occurrence.
- (b) **Ultimate Net Loss:** The words **Ultimate Net Loss** shall mean the loss sustained by the Insured as a result of the happening of the perils covered by this Policy after making deductions for all salvages, recoveries, self-insured retentions and other valid and collectible insurance [other than recoveries under the policy(ies) of the primary and underlying excess insurer(s)].
- (c) **Earth Movement**
 - 1) **Earthquake**, including any earth sinking, rising or shifting related to such event;
 - 2) Landslide, including any earth sinking, rising or shifting related to such event;
 - 3) Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased;
 - 4) Earth sinking (other than sinkhole collapse), rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.
 - 5) Volcanic eruption, meaning the eruption, explosion or effusion of a volcano.

(d) **Earthquake**

- 1) Quaking, vibratory or undulating movement of a portion of the earth's crust, produced by tectonic or underground volcanic forces or by breaking, shaking, trembling or shifting of rock beneath the earth's crust. This definition of Earthquake does not include subsidence, landslide, rock slide, mudflow, earth rising, earth sinking, earth shifting or settling; unless, as a direct result of such Earthquake.

Earthquake shock shall be defined as the sum total of all the Insured's losses attributable directly from the peril of Earthquake sustained during any period of seventy two (72) consecutive hours by reason of one Earthquake shock or a series of Earthquake shocks.

- 2) Volcanic eruption, meaning the eruption, explosion or effusion of a volcano. All volcanic eruptions that occur within any one hundred sixty eight (168) hour period will constitute a single occurrence.

(e) **Flood**

- 1) Flood, surface water, rising waters, waves, tides, tidal waves, storm surge, overflow of any body of water or their spray, all whether driven by wind or not;
- 2) Mudslide or mudflow;
- 3) Water that backs up or overflows from any sewer or drain;
- 4) Water that seeps, leaks or flows from below the surface of the ground;
- 5) The rising, overflowing or breaking of boundaries of natural or man-made bodies of water;
- 6) The release of water held by a dam, levee or dike or by a water or flood control device;
- 7) The release of water caused by the Acts, Errors or Omissions by you or others in the design, specifications, workmanship, repair, construction, or renovation of all or any part of a water or flood control device, levee, dam or dike;
- 8) Inundation of normally dry land by natural or man-made causes;
- 9) Water inundation from any cause whatsoever.

However, **Flood** does not include the accidental discharge or leakage of water as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance.

4. PRIORITY OF PAYMENTS / APPLICATION OF RECOVERIES:

There is no recovery under this excess policy as respects the coverage(s) or peril(s) which are sublimited within the primary and/or underlying excess policies to amounts less than or equal to the amount set forth in Item 6 of the Schedule, nor for those coverages excluded in this excess policy; however, the Company recognizes that the primary and underlying excess policy limits can be eroded or exhausted, wholly or partially, by application of said sublimits.

All salvages, recoveries or payments recovered or received subsequent to a loss settlement under this Policy shall be applied as if recovered or received prior to such settlement and all necessary adjustments shall then be made between the Insured and the Company; provided always that nothing in this Policy shall be construed to mean that losses under this Policy are not recoverable until the Insured's **ultimate net loss** has been fully ascertained.

5. DROP DOWN CLAUSE:

In the event of reduction or exhaustion of the underlying aggregate limit(s) provided for **Flood** and/or **Earthquake**, such insurance if afforded by this Policy shall apply in excess of such reduced underlying limit(s), or if such limit is exhausted, shall apply as underlying insurance, notwithstanding anything to the contrary in the terms and conditions of this Policy. Sublimited coverages provided in the primary or underlying excess policies may contribute to the exhaustion of the underlying aggregate limit(s) provided for **Flood** and/or **Earthquake**; however, this excess layer will not drop down over or expand those sublimited amounts.

In the event of exhaustion of the underlying aggregate limit(s) provided for **Flood** and/or **Earthquake**, the deductible applicable to coverage if provided by this Policy for such peril(s) shall be the same as the deductible(s) stated in the primary policy.

In no event, shall this Company be liable for more than the "Limit Insured" as set forth in Item 7 of the Schedule.

6. MAINTENANCE OF PRIMARY INSURANCE:

In respect of the perils hereby insured against, this Policy follows the form of and is subject to the same warranties, terms and conditions (except as regards the premium, the amount and limits of liability other than the deductible or self-insurance provision where applicable, and the renewal agreement, if any; and EXCEPT AS OTHERWISE PROVIDED HEREIN) as are contained in or as may be added to the policy(ies) of the primary insurer(s) prior to the happening of a loss for which claim is made hereunder, and should any alteration be made in the premium for the policy(ies) of the primary insurer(s), then the premium hereon shall be adjusted accordingly.

It is a condition of this Policy that the policy(ies) of the primary insurer(s) and underlying excess insurer(s) shall be maintained in full effect during the currency of this Policy except for any reduction or exhaustion of the aggregate limits contained therein solely by payment of losses during the Policy year. In the event that the policy(ies) of the primary insurer(s) are not so maintained, the insurance provided by this Policy shall then apply in the same manner as though said policy(ies) of the primary insurer(s) had been so maintained and unchanged.

7. CANCELLATION:

This insurance may be cancelled by the Insured at any time by written notice or by surrender of this Policy.

This insurance may also be cancelled by or on behalf of the Company by delivering to the Insured or by mailing to the Insured, by registered, certified or other first class mail, at the Insured's address as shown on this insurance, written notice stating when, not less than 30 days (10 for non-payment of premium) thereafter, the cancellation shall be effective.

The mailing of such notice as aforesaid shall be sufficient proof of notice and this insurance shall terminate at the date and hour specified in such notice.

If this insurance shall be cancelled by the Insured, the Company shall retain the customary short rate proportion of the premium hereon except that if this insurance is on an adjustable basis, the Company shall receive the earned premium hereon or the customary short rate proportion of any minimum premium stipulated herein, whichever is the greater.

If this insurance shall be cancelled by or on behalf of the Company, the Company shall retain the pro rata proportion of the premium hereon, except that if this insurance is on an adjustable basis, the Company shall receive the earned premium hereon or the pro rata proportion of any minimum stipulated therein, whichever is greater.

Payment or tender of any unearned premium by the Company shall not be a condition precedent to the effectiveness of cancellation, but such payment shall be made as soon as practicable.

If the period of limitation relating to the giving of notice is prohibited or made void by any law controlling the construction thereof, such period shall be deemed to be amended so as to be equal to the minimum period of limitation permitted by such law.

8. NOTIFICATION OF CLAIMS:

The Insured, upon knowledge of any occurrence likely to give rise to a claim hereunder, shall give immediate written notice thereof to the person(s) or firm named for the purpose in the schedule.

9. EXCLUSIONS:

(a) Pollution

Notwithstanding any provision to contrary in any underlying policy whether primary or excess, this Policy does not cover loss or damage caused directly or indirectly by or resulting from release, discharge or dispersal of contaminants or pollutants or the cost of cleaning up polluting and contaminating substances. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

(b) Perils Excluded in Item 3 of the Schedule

Notwithstanding any provision to the contrary in any underlying policy whether primary or excess, this Policy does not cover loss or damage caused directly or indirectly by the perils which are specifically excluded in Item 3 of the Schedule. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

SERVICE OF SUIT

It is agreed that in the event of the failure of this Company to pay any amount claimed to be due hereunder, this Company, at the request of the Insured, will submit to the jurisdiction of any Court of Competent Jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any Court of competent jurisdiction in the United States, to remove an action to a United States District Court or seek a transfer of a case to another Court as permitted by the laws of the United States or of any state in the United States, moreover, this endorsement is not an agreement that the law of a particular jurisdiction applies to any dispute under the policy. It is further agreed that service of process in such suit may be made upon the highest one in authority bearing the title "Commissioner", "Director" or "Superintendent" of Insurance of the state or commonwealth wherein the property covered by this policy is located, and that in any suit instituted against it upon this contract this Company will abide by the final decision of such Court or any Appellate Court in the event of an appeal. The one in authority bearing the title "Commissioner", "Director" or "Superintendent" of Insurance of the state or commonwealth wherein the property covered by this policy is located is hereby authorized and directed to accept service of process on behalf of this Company in any such suit and/or upon the Insured's request to give a written undertaking to the Insured that they will enter a general appearance upon this Company's behalf in the event such a suit shall be instituted.

This Endorsement Changes The Policy. Please Read It Carefully.

MINIMUM EARNED PREMIUM CLAUSE - PERCENTAGE

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

In the event of cancellation of this policy or reduction of coverage by the Insured, a minimum premium of 35% of the original policy premium shall become earned; any conditions of the policy to the contrary notwithstanding.

Failure of the Insured to make timely payment of premium shall be considered a request by the Insured for the Company to cancel. In the event of such cancellation by the Company for non-payment of premium, the minimum premium shall be due and payable; provided, however, such non-payment cancellation shall be rescinded if the Insured remits the full premium due within 10 days of receiving it.

In the event of any other cancellation by the Company, the earned premium shall be computed pro rata, not subject to the minimum premium.

This Endorsement Changes The Policy. Please Read It Carefully.

SCHEDULED LIMIT OF LIABILITY

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

It is understood and agreed that the following special terms and conditions apply to this policy:

1. In the event of loss hereunder, liability of the Company shall be limited to the least of the following liability limitation measures in any one "occurrence":
 - a. The actual adjusted amount of the loss, less applicable deductibles and primary and underlying excess limits; or
 - b. 100% of the individually stated value for each scheduled item of coverage insured at the location which had the loss as shown on the latest Statement of Values on file with this Company, less applicable deductibles and primary and underlying excess limits; or
 - c. The Limit of Liability as shown on the Declarations page of this policy or as endorsed to this policy, if, after the application of the limits in a. or b. above to each scheduled item of coverage which had the loss, the total exceeds such Limit of Liability.

If no value is shown for a scheduled item then there is no coverage for that item. Where the loss or "occurrence" involves more than one insured location or scheduled item of coverage, the liability of the Company for each individually scheduled item of coverage shall be measured separately and on a per scheduled item basis. Nothing herein requires the Company to utilize the same liability limitation measure for all insured scheduled items or insured locations involved in any one "occurrence". The liability limitation measure to be used by the Company shall be the measure providing the least amount of coverage for each scheduled item individually. The Company may have no liability after applying the liability limitation measures, applicable deductibles and primary and underlying excess limits.

2. Coverage under this policy is provided only at the locations listed on the latest Statement of Values on file with this Company or as endorsed on to this policy.
3. The premium for this policy is based upon the Statement of Values on file with this Company or attached to this policy.

The term "occurrence", where used in this policy, shall mean any one loss, disaster, casualty or series of losses, disasters, or casualties arising from one event.

When the term "occurrence" applies to a loss or series of losses from the perils of tornado, cyclone, named storm, hurricane, windstorm, hail, flood, earthquake, volcanic eruption, riot, riot attending a strike, civil commotion and vandalism and malicious mischief, one event shall be construed to be all losses arising during a continuous period of 72 hours. When filing a proof of loss the insured may elect the moment at which the 72 hour period shall be deemed to have commenced, which shall not be earlier than the first loss to occur at any covered location.

Example:

The limits shown in the example below apply for this example only and do not reflect the limits in this policy. The example also assumes there is no coinsurance penalty or other limits involved:

<u>Location 1</u>	
Scheduled value – Building	\$100,000
Actual adjusted amount of loss – Building	\$25,000
Scheduled value – Rents	\$50,000
Actual adjusted amount of loss – Rents	\$75,000

<u>Location 2</u>	
Scheduled value – Building	\$200,000
Actual adjusted amount of loss – Building	\$205,000

Policy No.: LHD929174 Effective: 1/1/2023

Scheduled value – Rents	\$75,000
Actual adjusted amount of loss – Rents	\$25,000
Limit of Liability on Declarations page	\$1,000,000 per occurrence

In this example, the total liability of the Company for the Occurrence is limited to \$300,000 less applicable deductible(s) and primary and underlying excess limits. This is because:

1. The liability of the Company on each scheduled item of coverage is limited as follows:
 - a. Location 1 Building is limited to \$25,000 because the actual adjusted amount of the loss is less than the scheduled value for that item,
 - b. Location 1 Rents is limited to \$50,000 because the scheduled value is less than the actual adjusted amount of the loss for that item,
 - c. Location 2 Building is limited to \$200,000 because the scheduled value is less than the actual adjusted amount of the loss for that item, and
 - d. Location 2 Rents is limited to \$25,000 because the actual adjusted amount of the loss is less than the scheduled value for that item; and
2. The total of the liability limitation measures on each scheduled item of coverage ($\$25,000 + \$50,000 + \$200,000 + \$25,000 = \$300,000$) less applicable deductibles is less than the policy's Limit of Liability (in this example) of \$1,000,000 per occurrence.

APPRAISAL CLAUSE AMENDMENT

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

This endorsement replaces any and all other provisions regarding appraisal.

If we and you disagree on the value of the property or the amount of loss, either party may request, in writing, an appraisal of the value of the property and/or the amount of loss. An appraisal may then take place only if the other party agrees in writing to participate in the appraisal process pursuant to terms of a written agreement between the parties. At a minimum, the written agreement between the parties will specify a protocol for the selection of a disinterested, competent, and impartial appraiser (who does not have a financial interest in the claim and/or appraisal award, including a contingent interest in the outcome of the claim or appraisal award), the inspection of the property by the appraisers, the selection of an umpire, communications between and among the appraisers and umpire, specific itemization of each item in dispute, and an award form. If the parties cannot agree on a written agreement specifying the protocol, an appraisal will not take place.

If appraisal moves forward, the two appraisers will select an umpire, who is disinterested, competent, and impartial. If the two appraisers cannot agree to an umpire within 15 days of either appraiser proposing one or more umpires, the two appraisers may jointly request that the selection of a competent and impartial umpire be made by a judge of a court in the county of the loss or damage. If either party to the appraisal, without notice to the other party, asks a judge to select an umpire, any such umpire selection shall be invalidated and the selection of a new umpire shall be required. If the appraisers do not agree to jointly request the appointment of an umpire, either the insurer or insured can unilaterally end the appraisal with written notice to the other. The appraisers will state separately the value of the property and amount of loss. Specific itemization of each item and amount in dispute is required, including, but not limited to, building-by-building, floor-by-floor, unit-by-unit, and area-by-area allocation. If the appraisers fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding.

Each party will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and the umpire's fee equally.

In connection with the appraisal proceeding, neither the appraisers nor the umpire shall have authority to decide questions of law. Neither the appraisers nor the umpire shall attempt to resolve any issue of insurance coverage, policy exclusions, compliance with the policy terms and conditions, or any issues concerning the Limits of Insurance available under the Policy.

At any time after the request for appraisal, we will retain our right to demand compliance with all applicable Duties in the Event of Loss as described in this Policy. We may require completion of any of the Duties in the Event of Loss, or any other policy condition, prior to continuance of the appraisal proceeding.

If there is an appraisal, we will still retain our right to deny the claim.

Where applicable, the parties agree that during the pendency of an appraisal all required responses and cures to any Civil Remedy Notices are extended until 30 days after the appraisal is concluded.

By voluntarily agreeing to the appraisal process, both parties acknowledge that there are irreconcilable differences that exist regarding the value of the property and/or the amount of loss. Since appraisal is voluntary, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us.

A. The following Exclusion is added:

EXCLUSION – “Fungus”, Wet Rot, Dry Rot And Bacteria

We will not pay for loss or damage caused directly or indirectly by the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But if "fungus", wet or dry rot or bacteria results in a "specified covered cause of loss", we will pay for the loss or damage caused by that "specified covered cause of loss".

This exclusion does not apply:

1. When "fungus", wet or dry rot or bacteria results from fire or lightning; or
2. To the extent that coverage is provided in the Additional Coverage - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria with respect to loss or damage by a cause of loss other than fire or lightning.

B. The following Additional Coverage is added:

ADDITIONAL COVERAGE - Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. This limited coverage applies only when the "fungus", wet or dry rot or bacteria is the result of one or more of the following causes that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence, and only if any loss resulting from the following is reported to us within 60 days of the occurrence.
 - a. A "specified covered cause of loss" other than fire or lightning; or
 - b. Flood, if the Flood Coverage Endorsement applies to the affected premises.
2. Under conditions described in item **B.1.** above, we will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:
 - a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
 - c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.
3. The coverage provided under this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continues to be present or active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

Policy No.: LHD929174

Effective: 1/1/2023

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

C. The following Definition is added:

1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
2. "Specified covered cause of loss" means the following: Fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam.

EXCLUSION OF TERRORISM

This endorsement modifies insurance provided under the following:

ALL COVERAGE PARTS

A. Definitions

1. "Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in that Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:
 - a. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
 - b. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.
2. "Other act of terrorism" means any activity against persons, organizations or property of any nature:
 - a. That involves the following or preparation for the following:
 - (1) Use or threat of force or violence; or
 - (2) Commission or threat of a dangerous act; or
 - (3) Commission or threat of an act that interferes with or disrupts an electronic, communication, information, or mechanical system; and
 - b. When one or both of the following applies:
 - (1) The effect is to intimidate or coerce a government or the civilian population or any segment thereof, or to disrupt any segment of the economy; or
 - (2) It appears that the intent is to intimidate or coerce a government, or to further political, ideological, religious, social or economic objectives or to express (or express opposition to) a philosophy or ideology; and
 - c. When the act is not certified as a terrorist act pursuant to the federal Terrorism Risk Insurance Act.

B. Exclusion of Certified Acts of Terrorism and the following Other Acts of Terrorism

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism" or an "other act of terrorism":

1. Including loss or damage caused by Fire following or resulting from a "certified act of terrorism" or an "other act of terrorism".
2. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.
3. With respect to an "other act of terrorism", this exclusion applies only when one or more of the following are attributed to such act:
 - a. The act involves the use, release or escape of nuclear materials, or that directly or indirectly results in nuclear reaction or radiation or radioactive contamination;
 - b. The act is carried out by means of the dispersal or application of pathogenic or poisonous biological or chemical materials;

-
- c. The act involves the release of pathogenic or poisonous biological or chemical materials, and it appears that one purpose of the terrorism was to release such materials; or
 - d. The total of insured damage to all types of property in the United States, its territories and possessions, Puerto Rico, and Canada exceeds \$25,000,000. In determining whether the \$25,000,000 threshold is exceeded, we will include all insured damage sustained by property of all persons and entities affected by the “other act of terrorism” and business interruption losses sustained by owners or occupants of the damaged property. For the purpose of this provision, insured damage means damage that is covered by any insurance plus damage that would be covered by any insurance but for the application of any terrorism exclusions. Multiple incidents of an “other act of terrorism” which occur within a 72-hour period and appear to be carried out in concert or to have a related purpose or common leadership will be deemed to be one incident, for the purpose of determining whether the threshold is exceeded.

With respect to this Item **B.3.d.**, the immediately preceding paragraph describes the threshold used to measure the magnitude of an “other act of terrorism” and the circumstances in which the threshold will apply, for the purpose of determining whether this exclusion will apply to that incident. When the exclusion applies to an “other act of terrorism”, there is no coverage under this Coverage Part or Policy.

C. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as, but not limited to, losses excluded by any Nuclear Hazard or War And Military Action Exclusions.
